MUSICA ANTICA  
ROTHERHITHE

# LETTERE AMOROSE

Celebrating a year since their founding this summer, **MUSICA ANTICA ROTHERHITHE** brings works by two of the greatest composers of Italian Opera of the Seventeenth Century to the beautiful, intimate stage at **SANDS FILMS STUDIO**, prepared first-hand from original manuscripts preserved in the **BIBLIOTECA MARCIANA, VENICE**, and many never-yet performed in the U.K. As ever, Home-infused Gins, wine and beer will be available before the performance and during the interval, the proceeds of which support Holy Trinity Church, Rotherhithe.
